To the best of my knowledge. Check your Page sources for that Code.

That code is utilized as a script for the IIS which is downloaded as a NODE into your computer through port 80 HTTP.

About the Author Book: Wildlife Art & Adv. Book: Trail Reflections

"Pursuit of wildlife photography and backpacking took me around the world from well above the Arctic to Tierra del Fuego in South America. Take the journey along with me. See what I saw, feel what I felt. It's all here in my books."

At the age of 11, while playing with friends in the woods near his home, Kern saw an unusual and beautiful bird he had not seen before. With the help of his elementary school principal, he identified the bird as a rose-breasted grosbeak. The event launched a lifetime interest in nature and the outdoors. By age 15 Kern had achieved the rank of Eagle Scout, the first evidence that he was serious about his outdoor pursuits.

A moment of truth came in 1956 when Yale's yearbook committee asked in a form: "Future occupation?" read more
